

Job Search and Career Reference Books

Job and career choices are made easier with these popular reference books. In the competitive job market, the edge is often gained before the actual job search begins.

NEW!

Firestarters: 100 Job Profiles to Inspire Young Women

Helpful and inspiring book for teenage girls that describes interesting professions and fascinating new careers in an informative and positive format. Photographers, opera singers, marine biologists and more!

NEW!

Federal Law Enforcement Careers, Second Edition

Detailed profiles of 250 careers with more than 130 agencies, plus qualification requirements and training program descriptions. Accurate, up-to-date information on 10 categories of positions including criminal investigators, intelligence specialists, correctional personnel and more.

Job Search Handbook for People with Disabilities

Job seekers with disabilities learn to best represent themselves and reassure potential employers that they are capable workers. Also serves as an excellent resource for career development specialists.

O*NET Dictionary of Occupational Titles, Third Edition

O*NET (Occupational Information Network) is the most comprehensive and detailed occupational reference book available. This easy-to-use reference provides job information on over 1,000 jobs that cover almost 100% of the U.S. workforce. Uses the latest O*NET release and the most current data on earnings, growth, education and training needed, and more.
